We also offer a range of bespoke cakes, including wedding cakes, made and decorated to your design or tailored by us to your event! Prices start from £20.99 so get in touch with your request and we'll give you a quote!

Delivery costs are standard and set at £6.99 for any address within a 10 mile radius of our kitchen. We'll then add on a further 50p per mile thereafter.

## *Catering Events*

We're available to hire for any and all events! We offer all kinds of packages depending on your needs, we can make everything, set it up and leave. Or, we can stay around to make sure everything runs smoothly and to serve what we bake, either at designated tables or even walking around offering trays of our delicious treats to guests. It's totally up to you and your needs, just give us a call or send us an email and we'll get back to you with a quote or for more information as soon as we can!
